LETTER OF RECOMMENDATION

Lamda Maritime Holdings Sp. z o. o. would like to express the gratitude and appreciation to the company "Business Taxi Wrocław". The company provided an excellent bodyguard security and limousine service. They have organized for us a protected transport of diplomats from the Republic of Palau in high class manners to the headquarters of The Ministry of Foreign Affairs from Wrocław to Warsaw. Their professional officers kept our guests safe and secure during the whole visit in Poland. The company offers premier cars, reliable and experienced security officers and drivers.

We believe that the company delivers highly competent service for the most demanding clientele. Especially we would like to thank the owner Mr. Łukasz Michaluk for his dedication. Lamda Maritime Holdings Sp. z o. o. highly recommends "Business Taxi Wrocław" and wish them the best of luck and continued success.

Sincerely Yours
